the University and are twenty-three years old are admitted as candidates for
the degree of Bachelor of Laws (LL.B.), but must maintain an average standing
in their law work 10 per cent above the passing mark.

In rare instances students over twenty-three years old who cannot meet the
foregoing requirements will be admitted as unclassified students, if the Law
Faculty is convinced that their previous training will enable them satisfactorily
to pursue the work. Such students are not candidates for a degree.

Degrees are conferred upon candidates therefore who have completed the
professional course of 27 majors of law work, distributed over nine quarters of
law-school residence, with an average standing 10 per cent above the passing
mark. Information about advanced standing in law will be given on application
to the Dean.

Fees and expenses.—A matriculation fee of $10.00 is paid by every student
entering the University for the first time. The tuition fee in the Law School is
$70.00 a quarter ($35.00 a term) for full work. Part work is paid for pro rata.
Estimated expenses (including tuition) run from $175.00 to $300.00 for the
quarter.

Routine of entrance.—Applications and correspondence should be addressed
to JAMES P. HALL, Dean of the University of Chicago Law School, Chicago, Ill.
A student from another institution should present his diploma or certificate of
graduation; or, if he does not hold a degree equivalent to three years of college
work in the University, he should bring a detailed statement of his work. Blank
forms for such statements will be sent upon application. All credentials should
be presented at the office of the Dean in the Law Building. In cases of doubt,
correspondence is invited upon these matters before the student presents himself
for admission. Directions for matriculation and registration will be furnished
in the Dean’s office.

Detailed announcement.—The complete Announcement for the Summer
Quarter of the University, showing the courses to be given in all the schools and
departments, with detailed information about the quarter system, degrees,
advanced standing, rooms, board, fees, expenses, University privileges, and
other general matters, will be sent to anyone upon application to the Dean.
