Hutchinson Hall. A café where food is furnished to order at moderate rates is maintained in the same building.

All applications for rooms, or for information concerning rooms and board, within or without the Quadrangles, should be made to the Registrar, who will send diagrams and prices upon application.

The following table will furnish an estimate of the annual expenses for thirty-six weeks of a student in the University residing within the Quadrangles:

It is believed that students who find it necessary to reduce expenses below the lowest of these estimates can do so. Rooms outside the Quadrangles, furnished, with heat, light and care, may be obtained at from $1 a week upward, the $1 rate being easily secured where two students room together. Many places offer room and board from $4.50 upward. There are student clubs which secure board at cost, the rate during the past year ranging from $2.75 to $3.50 a week. A list of approved boarding-places outside the Quadrangles is kept on file at the Information Office, Cobb Lecture Hall, where information regarding them may be obtained.

SELF-HELP FOR STUDENTS

A considerable number of students manage in various ways to earn a portion of their expenses while in the University. The needs of a large city afford opportunities to part of these, and a smaller number obtain remunerated service with the University. The latter resource is open to those only who have spent at least one Quarter in residence at the University.

All inquiries regarding self-help for students should be addressed to the Registrar, Cobb Lecture Hall.

PRIVILEGES

Students in the Law School are entitled to all the privileges of the University. There is no additional charge (except a locker fee) for the use of the Bartlett Gymnasium, the swimming pool, or the tennis courts; for medical examination and advice from the University physician, or for admission to other courses in the University. Law students may become members of the Reynolds Club upon the same terms as other students.
