le work.* Credit will be given for acceptable work done in other institutions of collegiate rank. Before receiving the degree of J.D. such students must obtain from the University an academic degree, and are permitted to count toward this one year of law. The requirements for academic degrees will be found below, under "Degrees."

b) Admission to the Law School as candidates for the degree of LL.B. is granted:

1. To students over twenty-one years old who have completed high-school or college work equivalent to 15 units of admission credit to the University (the usual college entrance requirement — ordinarily satisfied by four years of high-school work). This work must include three units in English. The degree is granted to those only who complete the course with a high average standing.

c) Unclassified students.—In rare instances students over twenty-one years old who cannot meet the above requirements will be admitted as unclassified students, if the Law Faculty are convinced that their previous training will enable them satisfactorily to pursue the work. Such students are not candidates for a degree

ADMISSION TO ADVANCED STANDING

Students from other law schools of high grade who are otherwise qualified to enter the School, will ordinarily receive credit (not exceeding two years in amount) for work and residence satisfactorily completed at such schools corresponding in character to that required at this School. The right is reserved to refuse such credit, in whole or in part, save conditionally or upon examination. (See "Regulations," p. 6 below.)

Candidates for the degree of Bachelor of Laws must be twenty-two years old to be admitted to second-year standing, and twenty-three years old to be admitted to third-year standing.

No credit will be given for work not done in residence at a law school.

DEGREES

The University confers the degree of A.B., Ph.B., or S.B. upon Law students admitted to candidacy for the degree of J.D. who have completed nine Majors (one year) of work in the Law School, and, in addition to the admission requirements to a Junior College, have satisfied one of the following requirements:

a) Students who have pursued all their college work in the University must complete the courses prescribed for the college in which they are registered.

b) Students admitted to the University with less than eighteen Majors (two years) of credit from other colleges must make up the deficiency below eighteen Majors by taking prescribed college work for which they have not credit; above eighteen Majors, pre-legal courses may be taken to satisfy any further deficiencies in prescribed work, except English.

c) Students admitted to the University with at least eighteen Majors (two years) of credit from other colleges are required to complete only enough college work to give them altogether twenty-seven Majors, and may take pre-legal courses to satisfy any deficiencies in prescribed work, except English.

If a student has deviated more than three Majors from a regular course of study required at the college from which he comes, the relief from prescribed work permitted to him under b) and c) above will be diminished by the amount of such deviation in excess of three Majors. Pre-legal courses may be taken or substituted to satisfy this extra deficiency.

Students already holding such degrees from other colleges may obtain an academic degree from the University upon satisfying the above requirements.

The degree of Doctor of Law (J.D.) is conferred upon candidates therefor who are college graduates and have completed the three-year professional course.

The degree of Bachelor of Laws (LL.B.) is conferred upon candidates therefor who have completed the professional course with a high average standing.

To obtain either of the professional degrees it is necessary to complete twenty-seven Majors of law work, distributed over nine Quarters of law school residence, of which at least nine Majors of work and three Quarters of residence (including the last Quarter for which credit is given) must have been at this School. The work of the first year and the Practice courses are required.

Candidates for either of the professional degrees who complete the course with high distinction will receive the degree cum laude.

No professional degree will be conferred upon any student markedly deficient in English, and no student may receive both an academic and a professional degree in the same Quarter.

FEES

1. Matriculation fee.—A matriculation fee of $5 is required of every student entering the University for the first time.

2. Tuition fee.—The tuition fee in the Law School is $50 a Quarter ($35 a Term) for regular work (three Majors). Students who take half work or less, pay half fees, and receive residence credit pro rata. With the consent of the Dean, Law students may take extra work in any department of the University without extra charge.

Students not registered in the Law School pay $5 a Major extra for each law course taken, except required law courses taken by fourth-year students registered in the College of Commerce and Administration, and law courses offered by members of the Department of Political Science as part of the work of that Department. Undergraduate students not registered in the Law School must pay $20 for each Major law course taken as extra work.

For the pre-legal course the tuition fee is $10 a
