versity furnishes table board for men at moderate rates in the newly established University Commons in Hutchinson Hall.

All applications for rooms, or for information concerning rooms and board within or without the Quadrangles, should be made to the Registrar, who will send diagrams and prices upon application.

The following table will furnish an estimate of the annual expenses for thirty-six weeks of a student in the Law School residing within the Quadrangles:

It is believed that students who find it necessary to reduce expenses below the lowest of these estimates can do so. Rooms outside the Quadrangles, furnished, with heat, light, and care, may be obtained at from $1 a week upward, the $1 rate being easily secured where two students room together. Many places offer room and board from $4.50 upward. There are student clubs which secure board at cost, the rate during the past year ranging from $2.75 to $3.50 a week. A list of approved boarding places outside the Quadrangles is kept on file at the Information Office, Cobb Lecture Hall, where information regarding them may be obtained.

**SELF-HELP FOR STUDENTS**

A considerable number of students manage in various ways to earn a portion of their expenses while in the University. The needs of a large city afford opportunities to part of these, and a smaller number obtain remunerated service with the University. The latter resource is open to those only who have spent at least one Quarter in residence at the University.

All inquiries regarding self-help for students should be addressed to the Information Office, Cobb Lecture Hall.

**PRIVILEGES**

Students in the Law School are entitled to all the privileges of the University. There is no additional charge (except a locker fee) for the use of the Bartlett Gymnasium, the swimming-pool, or the tennis courts, for medical examination and advice from the University physician, or for admission to other courses in the University. Law students may become members of the Reynolds Club upon the same terms as other students.

**IV. COURSES OF INSTRUCTION, 1906-7**

**PRE-LEGAL COURSES**

The pre-legal curriculum in the first year of the Senior Colleges (the third college year) is intended to direct the college work of prospective law students to studies especially useful to the future lawyer. It is not required, but students are strongly advised to pursue it, and to choose their Junior College electives with this view.

A choice among the courses offered in the University upon the following subjects is particularly recommended:

- Principles of Political Economy.
- Constitutional History of the United States.
- Roman Law.
- Oral Debates and Argumentation.
- Bookkeeping and Accounting.
- Railway Transportation and Regulation of Rates.
- Economic and Social History.
- Finance, and History and Theory of Banking.
- Organization of Business Enterprise.
- Contemporary Society in the United States.
- Europe in the Nineteenth Century.
- Logic and Psychology.
- Political and Social Ethics.

With the approval of the Dean of the Law School other courses may also be accepted as pre-legal work, especially those offered in the departments of Political Economy and Political Science, courses in English, American, and modern European History, and courses dealing with modern social and municipal problems. Students who have not had the course in Civil Government in the United States, or who have not completed the English Composition required in the Junior Colleges, will be expected to take these during the pre-legal year.

**PROFESSIONAL COURSES**

[MJ = Major course, four hours weekly for one Quarter. M = Minor course, four hours weekly for one Term. DM = Double Minor course, eight hours weekly for one Term. Many of the courses continue through more than one Quarter, and for these no partial credit will usually be given. All Summer Quarter courses are completed then.]
