

The Delegation Grows

We can make no attempt at this time to list completely the alumni who were elected to high governmental positions in November. We congratulate them all and hope to bring news of them as we continue to survey our alumni. As representative of all who were elected we might mention Governor A. A. Ribicoff, LLB'33, of Connecticut; Senator Roman L. Hruska, '32, of Nebraska; Attorney-General-elect Stanley Mosk, '35, of California; and Congressman-elect William S. Boylston, JD'50, of Florida.
