To be eligible for this prize a student must have completed at least five and not more than seven quarters of work in residence in the Law School and must have taken and passed examinations in an average of three majors a quarter during that time. A student's average is computed upon all the work, not exceeding six quarters, upon which he has taken examinations while in the School.

The Chicago Chapter of Nu Beta Epsilon Law Fraternity offers a scholarship cup, possession of which remains in the Law School, to be awarded each spring, together with a small replica of the cup, to the first-year law student who has made the highest standing during the past year.

SCHOLARSHIPS

A number of scholarships, each yielding a portion of the tuition fees for an academic year (three quarters), are awarded annually to meritorious members of the Law School needing such assistance, in return for services in the Law School. A preference is given to students of high rank. All applications for positions for the Summer Quarter and for the succeeding year by students already registered in the School should be made in writing to the Dean not later than six weeks prior to the beginning of the quarter in which he expects to attend.

For entering students there are available a limited number of half-scholarships, for which certain services may be required. Directions for applying for these will be sent on request.

PRIVILEGES

Students in the Law School are entitled to the privileges of the University upon the same terms as other students, including the use of the Frank Dickinson Bartlett Gymnasium, the Reynolds Clubhouse, the swimming-pool, and the tennis courts, medical examination and advice from the University physician, and admission to other courses in the University.

ADMISSION TO THE LAW SCHOOL

All persons seeking admission to the Law School are required to fill out and present in advance an application for admission. Such application form may be secured from the office of the Dean of the Law School.

CANDIDACY FOR THE DEGREE OF J.D.

1. Collegiate record.—Application for admission may be made either:
   a) By college graduates whose degree represents college work equivalent to 27 majors (three years) in the University; or
   b) By students who have completed in the University or elsewhere 27 majors (three years) of college work. Credit will be given for acceptable work done in other institutions of collegiate rank. The amount of credit given in each case depends upon the collegiate record of the individual student.

   Applicants falling in group a above mentioned, who stood in the first third of their class during their college work, need present only their diploma and a certificate as to their college standing as aforesaid.

1 By special permission of the Dean, admission may be granted to students who have credit for but 24 majors, but such students must make up the deficiency before obtaining an academic degree from the University. Such permission will be granted only in the Autumn Quarter to enable students to take advantage of courses beginning then. (See "The Quarter System," p. 4.)
Applicants falling in group a above mentioned but not in the upper third of their class and all applicants falling in group b above mentioned must present their collegiate records.\footnote{Students at the University who at the close of the Summer Quarter, 1930, have an unqualified credit of not fewer than 27 majors may enter the Law School in the Autumn Quarter of 1930 upon such credit. They will be required to fill out the information form and, at the beginning of the Autumn Quarter, to take the intelligence test and legal aptitude test and to have the interview with the Dean. These will be required for informational and statistical purposes only.}

2. *Intelligence test and legal aptitude test.*—Applicants residing or attending college not more than 100 miles from Chicago will be required to take an intelligence test\footnote{Students who have taken an intelligence test in the University as undergraduates will be rated on that test. They will be required to take the legal aptitude test.} and a legal aptitude test prior to the beginning of the quarter in which they plan to enter the Law School. Such tests will be held in the Law School Building on Thursday, June 12, Friday, August 15, and Saturday, September 20.

3. *Interview.*—Applicants residing or attending college not more than 100 miles from Chicago will be required to have a personal interview with the Dean of the Law School, prior to the beginning of the quarter in which they plan to enter the Law School. Such interviews may be held during the five days preceding and following the dates of the intelligence and aptitude tests or at other times by special arrangement.

The applications of applicants residing or attending college not more than 100 miles from Chicago will be decided upon the data derived from the application, the collegiate record, the intelligence and legal aptitude tests, and the interview. Applicants are urged to take steps to provide these data as early as possible. Notification of acceptance or rejection of the applicant will be given promptly after all the data are at hand.

The applications of applicants residing and attending college more than 100 miles from Chicago will be conditionally decided upon the data derived from their applications and their collegiate records. Notification of the conditional acceptance or the rejection of the applicant will be given promptly after the receipt of the application and the college record. Applicants so admitted will be required to take the intelligence test\footnote{Students who have taken an intelligence test in the University as undergraduates will be rated on that test. They will be required to take the legal aptitude test.} and the legal aptitude test not later than three days after the opening of the Autumn Quarter and to have the interview with the Dean shortly thereafter. Their right to remain in the School after the end of their first three quarters will depend in part upon such tests and interviews.

**CANDIDACY FOR THE DEGREE OF LL.B.**

In occasional instances applicants who cannot satisfy the collegiate requirements necessary for a candidacy for the degree of J.D. but who have had between two and three years of collegiate work, and who are of mature years, may be admitted as candidates for the degree of LL.B. by special vote of the Faculty. Such admission will be made only in unusual circumstances, and applicants desiring to enter for the degree should assure themselves well in advance that they will be accepted.

**ADVANCED STANDING IN PROFESSIONAL WORK**

Non-graduates from other law schools of high grade, who are otherwise qualified to enter the School, may receive credit, not ordinarily exceeding five quarters and 15 majors in amount, for the satisfactory completion for work done there similar in character to that required here. Graduates of approved law schools may be given a maximum credit of six quarters and 18 majors (two years). Such credit may not exceed three majors for each quarter of law school residence elsewhere, and, in whole or in part, may be given conditionally or upon examination. Credit given may be withdrawn if the
student's performance in this Law School is unsatisfactory. *No credit will be given for work not done in residence at a law school.*

A student who desires to enter the Law School with advanced standing, if he resides or attends college within 100 miles of Chicago, must present a properly filled out application and a copy of his collegiate and law school record. He will also be required to take an intelligence test and to have an interview with the Dean. His admission to the School and the amount of credit given toward advanced standing will depend on these data.

If he resides and attends college more than 100 miles from Chicago he need only present a properly filled out application and a copy of his collegiate and law school records. His admission and the amount of credit given for advanced standing will be conditionally determined upon these data. After registering in the School he will be required to take an intelligence test and to have an interview with the Dean. His right to remain in the School after the first quarter of residence will depend in part upon these data.

**SUMMER QUARTER, 1931**

The requirements as to admission to the Law School in the Summer Quarter, 1931, for students beginning the study of law and for students desiring to enter with advanced standing will be announced subsequently. Students desiring to enter at this time should write to the Dean's office for detailed information.

**GRADUATE WORK**

College graduates, who have obtained a professional law degree with high rank from a law school of distinctly good reputation, and who give promise of ability to make a creditable contribution to legal scholarship, will, upon application, in the discretion of the Law Faculty, be admitted as candidates for the degree of J.S.D.

Several fellowships are available to candidates for this degree, and may be awarded to suitable applicants in the discretion of the Law Faculty. Applications therefor should be made not later than April 15. Directions for making such applications will be sent upon request.

**ROUTINE OF ENTRANCE**

Correspondence should be addressed to the University of Chicago, Chicago, Ill. All credentials should be presented at the office of the Dean. In cases of doubt, correspondence is invited before the student presents himself for admission. Directions for matriculation and registration will be furnished in the Dean's office.

**DEGREES**

*Academic degrees.*—The University permits 9 majors (one year) of work in the Law School to be counted toward the degree of A.B., Ph.B., or S.B. by candidates for the degree of J.D., who do not already hold degrees which would admit them to the Graduate Schools of the University, whether their preceding college work was taken here or elsewhere, provided only that the college work if done elsewhere, is acceptable for advanced standing, and that the specific requirements as to courses and quality of work done here for the particular degree sought are satisfied in each case. Subject to these requirements a student admitted with a maximum of 27 majors (three years) of credit from other colleges may obtain a college degree after the completion of one year of law work, but meanwhile must also register with the Dean of the College in
