college work, may be admitted to the J.D. Program. In such case the student may be required to qualify for admission on the basis of performance on the University’s General Education Test.

The school does not require the Law School admission test administered by Educational Testing Service, Box 592, Princeton, New Jersey, but suggests that this test be taken and invites the submission of the test report.

Application for admission must be made upon a form obtained from the Office of the Law School. Official transcripts of all college records must be sent to the School. Students are selected principally on the basis of their college records and the material furnished in their application for admission; where appropriate, consideration may be given to the General Education Test. In special cases a personal interview with the applicant may be required.

V. EXAMINATIONS, GRADING, AND RULES

Normally a written examination is required at the completion of each course. For each course the work of each student is graded according to the following scale: A, 80 and above; B, 74–79; C, 68–73; D, 60–67; F, below 60. These grades are recorded as numerical grades in the Office of the Law School and as letter grades in the Office of the Registrar of the University. A minimum grade of 60 is required before course credit may be received. At the end of the third and sixth quarters, the student, in order to remain in the School, must have an over-all average of 68. In computing averages, all grades will be counted on a weighted course-hour basis.

Regular class attendance is required as a condition of receiving credit for work done. The privilege of membership in the School may be withdrawn for unsatisfactory classwork or attendance.

The program of each student is subject to the approval of the Dean. Normally all work for the first three quarters is required. A legal writing, research, and moot court program
