student, in order to remain in the School, must have an over-all average of 68. In computing averages, all grades will be counted on a weighted course-hour basis.

Regular class attendance is required as a condition of receiving credit for work done. The privilege of membership in the School may be withdrawn for unsatisfactory classwork or attendance.

VI. COURSES OF INSTRUCTION

The program of each student is subject to the approval of the Dean. Normally all work for the first three quarters is required. A legal writing, research, and moot court program is also required of every student. Students are permitted to specialize in the second and third years. Members of the faculty may prescribe special qualifications for admission to particular courses or seminars.

Unless special permission is granted, the student must take all courses listed below for the first-year program. The numbers in parentheses at the end of each course description represent the value of the course in terms of course hours per quarter.

In order to achieve credit for 135 course hours in nine quarters, the student must take an average of 15 course hours (31 course units) per quarter. Unless special permission is granted, no student may take more than 17 course hours in any quarter.
