

The Alumni Fund

The Third Annual University of Chicago Alumni Fund Campaign is drawing toward a successful conclusion. On Thursday, August 19, the amount of the 1953-54 Alumni Gift will be announced at the luncheon to be held prior to the dedication of the American Bar Center.

Under the outstanding leadership of Dwight P. Green, '12, the campaign has this year enlisted the help of a record number of alumni. Space does not permit listing the names of the more than one hundred class agents who contributed to the success of the campaign. To them, and to the Executive Committee and Class Chairman whose names are set forth below, The Law School expresses its deep appreciation.
