

Roemer Lecture

Some years ago the Law School began a custom of sponsoring a public lecture, with a dinner preceding, as a welcome to its entering students. This autumn, Mr. Erwin Roemer, a member of the firm of Gardner, Carton, Douglas, Roemer and Chilgren, past president of the Illinois State Bar Association and member

of the Law School Visiting Committee, was the featured speaker. His subject was "The Practice of Law." Mr. Roemer was guest of honor at a dinner held at the Quadrangle Club just before his lecture. In addition to members of the Law Faculty and the entering students and their wives, the members of the Law School Visiting Committee and the Law School Alumni Board were in attendance.
