

Friends of the Law Library

During the fiscal year 1957-1958, about 1,000 volumes were contributed to the Law Library by seventy-four donors. In addition, a substantial portion of the remaining 2,900 volumes added during the year were purchased from endowment funds provided for the Law Library by alumni and other friends. The total University of Chicago legal collection now comprises approximately 212,000 volumes, of which about sixty per cent are shelved in the Law Building.
