I. Location, History, and Organization

The University of Chicago is located on the South Side of Chicago, eight miles from the center of the city. Its grounds lie on both sides of the Midway Plaisance between Washington and Jackson parks; its plant includes nearly a hundred buildings. The new Law School buildings, completed for the Autumn Quarter, 1959, occupy a square block on the Midway between Greenwood and University Avenues. They are connected with the Burton-Judson Residence Halls and are opposite the American Bar Center.

The University of Chicago was incorporated in 1890, the product of the interest of the Baptist denomination in establishing a strong and well-equipped college at Chicago to serve the West. The University of Chicago includes: (1) The College. (2) The four Divisions—Biological Sciences, Humanities, Physical Sciences, Social Sciences. (3) The six Professional Schools—Graduate School of Business, Divinity School, Law School, Graduate Library School, School of Medicine, School of Social Service Administration. (4) University College, which includes the center for adult education, located in downtown Chicago, and the Home-Study Department. (5) The Libraries, Laboratories, Museums, Clinics, and Institutes. (6) The University Press.

A school of law and jurisprudence was contemplated in the original plan for the University of Chicago. The school, according to William Rainey Harper, the first president of the University, should be more than a training institution for admission to the bar. An education in law, President Harper said, "implies a scientific knowledge of law and of legal and juristic methods. These are the crystallization of ages of human progress. They cannot be understood in their entirety without a clear comprehension of the historic forces of which they are the product, and of the social environment with which they are in living contact. A scientific study of law involves the related sciences of history, economics, philosophy—the whole field of man as a social being." Consequently, the Law School was not to be an institution that had a merely nominal connection with the University, and it was not to be separated either by location or by spirit from the University at large. It should be an organic part of the University, in close touch with the other divisions, embodying the spirit and purpose of university life and, in turn, contributing to that life.

In 1902 President Harper’s plan was approved by the Trustees, and the Law School was opened in October of that year. The goal of the School as stated in the first Announcements was "to afford adequate preparation for the practice of law as a profession in any jurisdiction in which the common law prevails, and to cultivate and encourage the scientific study of systematic and comparative jurisprudence, legal history, and principles of legislation." The construction of the first law building was made possible through a gift from John D. Rockefeller; the cornerstone was laid on April 2, 1903, by President Theodore Roosevelt.

The University of Chicago Law School has been a member of the Association of American Law Schools since the School was founded in 1902. It has been on the approved list of the American Bar Association since the standards of that association were adopted in 1921.
II. General Statement

The undergraduate curriculum of the Law School is designed to provide the essential training required for preparation for the practice of law, and for scholarly work in law. Emphasis is placed on a knowledge of the history, principles, and purposes of legal institutions, the operation of these institutions in the modern world, and the development of skills of legal craftsmanship. The basic curriculum incorporates the traditional legal fields and disciplines essential to the work of the law. Where relevant and practicable, the data and theories of the social sciences are used to further the study of law. The usual, although not exclusive, form of instruction is the case method; emphasis is also placed on individual instruction through a legal writing and research program which is required of every student. Opportunity for specialization is provided in the second and third years of each student's program. The graduate program is planned to provide opportunity and guidance for research in law. A special graduate program exists for foreign students whose undergraduate law training has not been primarily in the field of the common law and who desire to do research in comparative law, and for graduates of American law schools who seek training in the civil law. The research work of the School is intended to further the knowledge of legal institutions, to enrich the instructional program of the School, and to contribute to the administration of justice.

III. Admission of Students

All applications for admission are subject to the approval of the faculty. The first-year class in the undergraduate (J.D.) program is limited to approximately 140 students.

ADMISSION OF STUDENTS TO THE UNDERGRADUATE (J.D.) PROGRAM

Application for admission to the J.D. Program may be made by students who will have received a Bachelor's degree from an approved college prior to beginning their study in the Law School. It is not required that applicants for admission present college credit in any specified subjects. In exceptional cases students who have not satisfied the requirements for a Bachelor's degree from an approved college prior to entering the Law School, but who have had three years of college work, may be admitted to the J.D. Program. Students in the College of the University of Chicago may be admitted after having secured a certificate of completion of General Studies.

Students are selected principally upon the basis of their college records, the material furnished in their applications for admission, and the results shown on the Law School Admission Test. In special cases a personal interview with the applicant may be required. Preliminary questions concerning admission to the Law School and requests for copies of the application form should be addressed to the Dean of Students, The Law School, The University of Chicago, Chicago 37. Completed applications, official transcripts of all college and university records, and letters of recommendation should be sent directly to the Law School.

Arrangements should be made by applicants to take the Law School Admission Test administered by the Educational Testing Service, 20 Nassau St., Princeton, New Jersey. The results of this test should be reported directly to the Dean of Students, The Law School, The University of Chicago, Chicago 37. The Law School Admission Test will be given at selected locations throughout the country on November 14, 1959; February 20, 1960; April 9, 1960; and August 6, 1960.

Graduates of an approved law school whose studies have been primarily in the com-
mon law may apply for admission to the third year of the undergraduate school as candidates for the J.D. degree.

Graduates of an approved foreign law school whose studies have not been primarily in the common law may apply for admission as candidates for the J.D. degree in regular course. The requirements for this degree may be met in part for such students by the recognition of credits not to exceed 45 course hours (11¼ units), if performance in residence demonstrates the effective value of the student's work in a foreign system.

**ADMISSION OF STUDENTS TO THE GRADUATE (LL.M.) (J.S.D.) PROGRAM**

Application for admission to the graduate (LL.M.) (J.S.D.) program is limited to students who are the holders of a first degree in law from an approved law school, whose undergraduate work has been primarily in the common law, and who are qualified for advanced research in law. The degree of Master of Laws (LL.M.) is awarded only to students who have been admitted to candidacy for the degree of Doctor of Jurisprudence (J.S.D.).

Application for admission must be made upon a form obtained from the Dean of Students, The Law School, The University of Chicago, Chicago 37. The completed form should be submitted directly to the Law School.

**ADMISSION OF STUDENTS TO THE CERTIFICATE PROGRAM**

Graduates of an approved foreign law school whose studies have not been primarily in the common law may apply for admission to the program designed to give a one-year introduction to Anglo-American law. Upon completion of this program, such students will be given a certificate of attendance and a certificate for courses successfully completed.

**ADMISSION OF STUDENTS TO THE GRADUATE (M.COMP.L.) (D.COMPL.) COMPARATIVE LAW AND FOREIGN LAW PROGRAMS**

Application for admission to the Graduate (M.Comp.L.) (D.Comp.L.) Comparative Law and Foreign Law programs is limited to the following students:

1. For the Graduate Comparative Law Program, those students who are graduates of an approved foreign law school, and whose previous training, though not in the common law, qualifies them to undertake advanced research in law.

2. For the Foreign Law Program, those students who will have received a first degree in law from an approved American law school prior to beginning their studies in the Foreign Law Program.

Application for admission to the Graduate Comparative Law and Foreign Law programs must be made upon a form obtained from the Dean of Students, The Law School, The University of Chicago, Chicago 37.

**IV. Requirements for Degrees**

**THE UNDERGRADUATE PROGRAM**

The degree of Doctor of Law (J.D.) is awarded to students who (1) have been in residence for nine full quarters; (2) have shown by their standing in course examinations and by their individual investigations and reports a mastery of the fields for which they receive the requisite units of credit; (3) have shown an adequate mastery of English; and
(4) have successfully completed the work in the elective seminars or equivalent individual work approved by the faculty. A single course unit is the equivalent of four hours per week for one quarter. To qualify for residence for a full quarter, the student must take and complete 12 or more course hours (3 course units). Credit for 135 course hours (33 3/4 course units) and the maintenance of the required academic standing are needed for graduation. The degree of Doctor of Law, cum laude, is awarded to candidates who have satisfied the requirements with distinction. Graduates of an approved law school admitted as candidates for the J.D. degree must be in residence for three full quarters, have received credit for 44 course hours (11 course units), and have maintained the required academic standing.

THE GRADUATE PROGRAM

The degree of Master of Laws (LL.M.) is awarded to students who have completed with distinction the residence work required for the degree of Doctor of Jurisprudence and, after submission and approval of a detailed outline and partial draft of a dissertation, have been admitted to candidacy for the degree of Doctor of Jurisprudence.

The degree of Doctor of Jurisprudence (J.S.D.) is awarded to students who have been in residence for three full consecutive quarters, have completed their studies with distinction, and, after admission to candidacy for the degree, have submitted a dissertation that is accepted by the faculty as a creditable contribution to legal science. To qualify for residence for a full quarter, the student must take and complete 12 or more course hours (3 course units). The program is individually arranged with the student's faculty adviser and is expected to occupy the student's full time. The work may include any seminar or course open to undergraduates, with such supplementary work as may be required. It may consist of independent study or research as may be individually arranged. If the work in residence is completed with distinction, and a detailed outline and partial draft of the dissertation are submitted and approved, the student will be admitted as a candidate for the doctorate. Thereafter the candidate's thesis must be submitted to the faculty for its approval within a reasonable period of time as set by the candidate's thesis committee.

Students receiving the J.D. degree from this Law School and accepted as candidates for the J.S.D. degree may apply to the Committee on Graduate Studies for permission to satisfy up to two academic quarters of the residence requirement through off-campus activities approved in advance by the Committee. This application must be made prior to the award of the J.D. degree. Bigelow Teaching Fellows accepted as candidates for the J.S.D. degree may satisfy one academic quarter of the residence requirement during their three-quarter period as teaching fellows.

THE CERTIFICATE PROGRAM

A certificate of attendance or a certificate for courses successfully completed will be given to graduates of foreign law schools who have been admitted to the Certificate Program, have been in residence for three full quarters, and have participated in the seminar in Problems of American Law for Foreign Students (588).

THE GRADUATE COMPARATIVE LAW PROGRAM

In the Graduate Comparative Law Program, the degree of Master of Comparative Law (M.Comp.L.) is awarded to students who have completed with distinction the residence work required for the degree of Doctor of Comparative Law (D.Comp.L.). The degree of Doctor of Comparative Law (D.Comp.L.) is awarded to students who
have been in residence for three full consecutive quarters, have completed their studies with distinction, and, after admission to candidacy for the degree, have submitted a dissertation that is accepted by the faculty as a creditable contribution to the literature of comparative law. To qualify for residence for a full quarter, the student must take and complete 12 or more course hours (3 course units). The program is individually arranged with the student’s faculty adviser and is expected to occupy the student’s full time. At least half of the student’s work in residence must be devoted to some phases of Anglo-American law. If the work in residence is completed with distinction, and a detailed outline and partial draft of the dissertation are submitted and approved, the student will be admitted as a candidate for the doctorate. Thereafter the candidate’s thesis must be submitted to the faculty for its approval within a reasonable period of time as set by the candidate’s thesis committee.

THE FOREIGN LAW PROGRAM

In the Foreign Law Program, the degree of Master of Comparative Law (M.Comp.L.) is awarded to students who have successfully completed the two years of work as required in the curriculum of the program. The first year of work consists of three quarters of residence at the University of Chicago Law School, during which period a major portion of the student’s time will be spent in intensive and systematic study of the private law of France or Germany. The second year of work will be carried on, under guidance and supervision, in a foreign country. Upon the successful completion of the curriculum of the Foreign Law Program and the submission, within a reasonable period of time thereafter as set by the faculty, of a thesis that is considered by the faculty to be a significant contribution, the candidate will be awarded the degree of Doctor of Comparative Law (D.Comp.L.)

V. Examinations, Grading, and Rules

Normally a written examination is required at the completion of each course. The work of each student is graded according to the following scale: A, 80 and above; B, 74–79; C, 68–73; D, 60–67; F, below 60. These grades are recorded as numerical grades in the Office of the Law School and as letter grades in the Office of the Registrar of the University. A minimum grade of 60 is required before credit may be received for the work involved. Maintenance of the required academic standing is a prerequisite to continuation in the school and to candidacy for a degree. To maintain the required academic standing, a student must receive a minimum weighted grade average of 68 for the work of each academic year. A student who receives a failing final grade during any given academic year must maintain a weighted grade average of at least 69 for that academic year. A student receiving two failing final grades in any one academic year, or three failing final grades during his period of residence at the School, will not have maintained the required academic standing. A student who completes his work for the degree of Doctor of Law with a weighted grade average of 78 or better will have satisfied the requirements for the degree with distinction.

Regular class attendance is required as a condition of receiving credit for work done. The privilege of membership in the School may be withdrawn for unsatisfactory class work or attendance. After the first four weeks of any quarter, a student is not permitted to withdraw from a course, seminar, or special work for which he has registered that quarter, unless special authorization is given by the Dean. To qualify for residence for a full quarter, the student must take and complete 12 or more course hours (3 course units).
VI. Courses of Instruction

The program of each student is subject to the approval of the Dean. Normally all work for the first three quarters is required. A legal writing, research, and moot court program is also required of every student. Students are permitted to specialize in the second and third years. Members of the faculty may prescribe special qualifications for admission to particular courses or seminars.

Unless special permission is granted, the student must take all courses listed below for the first-year program. The numbers in parentheses at the end of each course description represent the value of the course in terms of course hours per quarter.

In order to achieve credit for 135 course hours in nine quarters, the student must take an average of 15 course hours (3 ¼ course units) per quarter. Unless special permission is granted, no student may take more than 17 course hours in any quarter.

Participating in the ceremonies were The Right Honorable The Viscount Kilmuir of Creich, Lord High Chancellor of Great Britain, and The Honorable Earl Warren, Chief Justice of the United States.

Prizes are awarded to winners of the competition; the team that represents the Law School in national competition is selected from among the most successful competitors in the second year. XVII. Placement

The Law School maintains a placement office to help students find suitable employment after their graduation. In collaboration with the Law School Alumni Association, special placement groups in large cities, and the University’s general placement office, it secures information about openings in law offices, corporations, and government offices throughout the country, and furnishes information about University of Chicago Law School graduates. The Placement Office also assists in arrangements for teaching positions; through the Comparative Law Center, efforts are made to place properly qualified students in research centers and other institutions abroad and to help foreign students to find opportunities for study and research in American law.

Early in their third year, students submit placement data indicating their plans and preferences after graduation. It is important that these records, which facilitate appropriate recommendations, be filled out accurately and kept up to date. Accordingly students whose plans or preferences change during the third year are asked to indicate such changes to the Placement Office. In the event that a student enters the armed forces following his graduation, the facilities of the Placement Office are available to him upon his return to civilian status. All third-year students have a personal interview with Dean Ratcliffe, who is Director of Placement. Other members of the faculty are also available for consultation and advice.

XVIII. Buildings and Library

Beginning with the Autumn Quarter, 1959, the Law School will occupy the new Law Buildings on the south side of the Midway Plaisance, connected with the Burton-Judson Residence Halls on the west, and opposite the American Bar Center on the east. The Law Quadrangle contains four connected buildings: the Auditorium-Courtroom Building; the Classroom-Seminar Building; the Library-Office Building; the Administration Building. The buildings, designed by Eero Saarinen, use twentieth-century materials, techniques, and design concepts. The architect has related the new buildings in the quadrangle to the Burton-Judson Residence Halls and to the American Bar Center. An open court, with a reflecting pool, is at the center of the group of buildings.

The Auditorium-Courtroom Building contains an auditorium seating 475 and a completely equipped courtroom seating about 190. The Auditorium-Courtroom Building is situated in such a way that it is directly accessible to the public. Rooms on two floors on both sides of the Courtroom are provided for judges, court officials, and lawyers.

The Classroom-Seminar Building lies between the Auditorium Courtroom and the Library-Office Building. There are five Seminar-Conference Rooms, accommodating
18 to 43 students, and four classrooms varying in capacity from 85 to 175. A large area for student lockers and lounges is located on the lower floor. The Edwin F. Mandel Legal Aid Clinic is also located in the Classroom-Seminar Building with direct access to University Avenue on the east. The Building includes a wide arcade-like corridor that runs along the open court side of the structure and connects with the Auditorium-Courtroom Building.

The Library-Office Building includes a lounge and exhibition and conference area on the first floor. On the second floor is the Reading Room of the Law Library, together with the Library administrative offices, the Rare-Book Room, and two conference and reception rooms. A balcony overlooking the Reading Room is occupied by stacks and study areas, The University of Chicago Law Review offices, and special rooms. Each of the next three floors contains a central core of stacks surrounded by a ring of faculty and research offices. Each floor contains a student study-room, a special collection room, an office for a student organization, and carrels. The Library-Office Building is air-conditioned.

The Administration Building contains a suite of offices for the administrative activities of the School and a faculty conference room. The Building also includes a public corridor connecting the Law Buildings with the Burton-Judson Courts, which make available student housing facilities, lounges, dining halls, and private dining rooms.

The Law Library collection covers substantially all fields and systems of law. The Anglo-American Law section contains an almost complete collection of the statutes, session laws, and reported decisions of the courts of each jurisdiction, together with digests, encyclopedias, loose-leaf services, periodicals, and the principal treatises. It includes also an extensive collection of the original briefs and records of cases in the Supreme Court of the United States and a representative collection of the reports and opinions of the federal and state administrative agencies and of the proceedings of the various bar associations. The International and Foreign Law section contains basic source and secondary materials relating to early legal systems and the law of continental European countries, including the latest codes, laws, decisions, and current periodicals. There are also special sections on legal history, including biography, jurisprudence, comparative law, canon law, and international law. Materials on the laws of the oriental countries, ancient and modern, can be found on the Quadrangles in the library of the Oriental Institute. Law students have ready access to the other libraries of the University, to the library of the nearby Public Administrative Service, and to the library of the American Bar Center.

The Law Library has four special funds at its disposal to supplement general library appropriations. These are the James Nelson Raymond Memorial Fund, established in 1929 by Anna L. Raymond as a memorial to her husband, James Nelson Raymond, an eminent businessman of Chicago; the Wallace Heckman Memorial Fund, established in 1929 by Mrs. Wallace Heckman as a memorial to her husband, Wallace Heckman, business manager of the University from 1903 to 1924; the William B. Hale Fund, established in 1944 by the family of Mr. Hale for the collection of materials for research and study in the field of monopoly; and a special Law Library endowment fund which has been established for the Law School under the guidance and with the help of Arnold I. Shure.

XIX. Linn House, the Law School Residence

Linn House is the Law School Men's Residence, located in the Burton-Judson Courts and connected with the new Law School buildings. There are common-room and
lounge facilities as well as living quarters for law students. The lounges in Burton-Judson Courts also provide a meeting place for law students and a center for extra-curricular activities of the Law School.

The John B. Phillips Memorial Library, established by the classmates of John B. Phillips, J.D. 1941, who was killed in action at Tarawa, is housed in the Law Lounge in Burton-Judson Courts as an open-shelf collection of general cultural books pertaining to the law.

Applications for residence in Linn House or inquiries concerning other housing accommodations should be addressed to the Student Housing Office, The University of Chicago, 5801 Ellis Avenue, Chicago 37. Arrangements may be made by law students not rooming in the Hall to take regularly lunch or dinner, or both, in the Burton-Judson Courts dining-room. Unless special arrangements are made, the assignment of rooms is for a period of three academic quarters.

XX. International House

International House, with accommodations for over five hundred residents (men and women), is a gift of Mr. John D. Rockefeller, Jr., and is designed primarily to provide living quarters for qualified students from abroad and for American students. Full-time graduate students and upperclass undergraduate students registered in the University of Chicago and in other colleges and universities in the Chicago area are eligible for residence at International House. Accommodations are available also on a quarterly, short-term, or transient basis to visiting foreign faculty members, scholars, research associates, and fellows.

International House offers a varied program of cultural and social activities planned to give opportunities for the students to acquire knowledge of each other's customs and culture. Informal discussion groups interpret the historical, political, and sociological aspects of various countries. Social events include dances, concerts, receptions, and programs presenting activities of a national character. Opportunities are provided for foreign and American students to work together in many types of student enterprises. A broad program of community hospitality allows foreign students to meet American families and to visit American homes. Tours are arranged quarterly to Chicago's outstanding industries and historical centers.

The office of the Adviser to Foreign Visitors is located in International House. Foreign students are welcome at any time to consult with the Adviser on immigration matters, on personal problems, and on problems of adjustment to conditions in a new land. Individual consideration is given to each student upon arrival, and efforts are made to relate him or her quickly and in a friendly way to the new environment.

Quarterly rates for rooms in International House are as follows: for double rooms equipped with individual beds, $75.00 to $99.00 per person; for single rooms, $85.00 to $120.00. Weekly short-term rates (applicable for a minimum period of residence of two weeks) are one-tenth of the quarterly rate. The rate by the day is $2.50 per person. All rooms are furnished except for towels, which may be rented for an additional $2.50 per quarter. Moderately priced meals are served in the cafeteria, which is open to all university students and faculty members.

All inquiries should be addressed to the Office of Admissions, International House, 1414 East Fifty-ninth Street, Chicago 37, Illinois.
XXI. The Chapel

Heinrich Fleischer, Ph.D., University Organist.
James R. Lawson, A.B., Laureat, Chapel Carillonneur.

Sunday morning services of worship are held throughout the academic year in the Rockefeller Memorial Chapel. Students and faculty members participate in the service. The Dean preaches on about half the Sundays of each quarter; on the other Sundays the guest preachers include members of the Federated Theological Faculty and outstanding churchmen from all parts of the nation and abroad. Special services are scheduled for the major seasons of the Church Year: Advent, Christmas, Lent, Holy Week, and Pentecost. The sacrament of Holy Communion is celebrated each quarter. The Chapel is open daily for private meditation and prayer.

Membership in the University Choir is open to all qualified students. The Choir sings at the Sunday services and, accompanied by members of the Chicago Symphony Orchestra, gives four or five major concerts each year. These include such works as Handel's The Messiah and Bach's St. Matthew Passion and Mass in B Minor as well as modern works of sacred music. Frequent organ concerts are given by the University Organist and by distinguished guest organists. Carillon concerts are played each Sunday and Wednesday by the Chapel Carillonneur.

The University Chapel is the center of a wide variety of student groups organized for religious fellowship and activities within the University and for social service in the city. These groups plan their own programs with the advice of counselors or of student pastors chosen by the authorities of their respective churches. The Jewish, Episcopal, and Roman Catholic groups have for their activities houses of their own near the Quadrangles. A number of Protestant groups co-operate with the University in maintaining Chapel House, adjacent to the Chapel at 5810 Woodlawn Avenue, for their joint activities. Information may be secured, and appointments with the officers or counselors of the several groups may be made, through the Chapel office.

XXII. Physical Education

The University has an extensive athletic plant and encourages the broadest participation of its students in the Physical Education program.

The Frank Dickinson Bartlett Gymnasium contains basketball, badminton, and volleyball courts, space for gymnastics, wrestling, fencing, squash, weight lifting, and handball, and a swimming pool. The Field House provides facilities for practice and enjoyment of a variety of athletic sports under favorable conditions in cold months and in bad weather. It contains a removable basketball floor, a track, a baseball diamond and batting cage, five tennis courts, a golf-driving range, and a football practice field. The University also maintains outdoor tennis courts, two large playing fields, baseball diamonds, golf greens, a one-quarter-mile cinder track, and an ice-skating and hockey rink.

Ida Noyes Hall provides equipment for the program of athletics for women. The building contains a gymnasium, dance room, games room, swimming pool, golf cages, bowling alleys, billiard room, and shower and dressing quarters. To the south of Ida Noyes Hall is the Midway Plaisance, where the Chicago Park District provides three hockey fields.
XXIII. The Student Health Service

HENRIETTA HERBOLSHEIMER, S.B., M.P.H., M.D., Director of the Student Health Service and Associate Professor of Medicine.

JAMES E. CASSIDY, M.D., Chief of the Student Health Service General Medical Unit, Assistant Director of the Student Health Service, and Assistant Professor of Medicine.

MIRIAM ELSON, A.M., Chief Psychiatric Social Worker in the Student Health Service Mental Hygiene Clinic and Psychiatric Social Worker in the Department of Psychiatry.

OLGA GILLOEGLY, S.B., M.D., Physician in the Student Health Service and Assistant in Medicine.

MORTON LIEBERMAN, Ph.D., Psychologist in the Student Health Service and Instructor in Psychology.

NÁNDOR SZENT-GYÖRGYI, M.D., Physician in the Student Health Service and Assistant Professor of Medicine.

The Student Health Center is a part of the medical plant of the University, which is comprised of hospitals, clinics, and medical-research facilities. The complete facilities of the Health Service are available to students in the quarters when they are registered and for a week following any such quarter. Eligibility for service is further defined by payment of the quarterly registration and general service fee.

An entrance medical examination is part of registration. Coverage includes ambulatory care in SHS; costs of hospitalization are covered by the Health Service up to a limit of one week for any single illness provided that the condition did not exist before admission to the University.

Since any illness can best be diagnosed in the clinic, emergency room, or hospital, the Health Service does not provide house or room calls.

A new student must make arrangements for the entrance medical examination at the time he registers. Failure to make this arrangement or to keep an appointment already made for such examination entails added cost to the Health Service. To offset this cost, an extra service fee of $3.00 must be paid to the Health Service by the student.

For a more complete description of services available, the Student Handbook should be consulted.

From time to time students with special health problems affecting their own welfare or that of the University community may be recalled to the Health Service. Failure of a student to comply with this request of the Health Service is reported to the Dean's office.
XXIV. Suggestions for Pre-legal Study

The Law School does not require that applicants for admission present college credit in any specified subjects. A broad general education is thought more important for the student of law than specialized study in fields closely related to law.

Such a general education should include study of the social sciences, including economics, political science, and history; the humanities, especially philosophy and literature; and the elements of physical and biological sciences and mathematics. It is also of great importance that a law student should have acquired habits of precision, fluency, and economy in writing and speaking.

XXV. Fees and Other Information

Application fee. An application fee of $5.00 must accompany the original application for admission to the University. No part of the fee is refundable nor is it applicable as an advance payment on other fees.

Tuition fee. The tuition fee in the Law School is $300 a quarter. A student is required to pay full tuition unless a reduced program of work and a reduction of fees are approved by the Dean.

Registration and general service fee (including Health Service). A fee of $20 a quarter.

Residence-hall fees. Room and board are available in Linn House at a cost of $879 for the nine-month academic year.

Deposit on admission. An applicant who is accepted for admission into the Law School is required to make a deposit of $35 within four weeks after notice of acceptance has been sent. This deposit will be applied on the tuition fee and will be refunded only in the event that illness or other sufficient cause prevents an applicant from entering the School at the beginning of the quarter for which he has been accepted.
